

HB SERIES WIRE STRIPPER, FOR COAXIAL CABLES WITH Ø FROM 4.8 TO 7.5 MM

Features

TECHNICAL INFORMATION

|                          |              |
|--------------------------|--------------|
| Power supply             | Manual labor |
| Stripping diameter range | 4.8 mm       |

LOGISTIC

|                            |       |
|----------------------------|-------|
| Unit in minimal packaging  | 1 PCE |
| Unit in standard packaging | 1 PCE |

WEIGHT AND DIMENSIONS

|                         |              |
|-------------------------|--------------|
| Net weight in operation | 21 g         |
| Dimensions              | 100x18x18 mm |

CLASSIFICATION AND DATA ORDERING

|              |          |
|--------------|----------|
| Customs code | 82032000 |
|--------------|----------|
